Dear Sir:

I am offering you my onion seed as follows: all 1929 crop, grown from carefully selected stock and high germination. I have had over thirty years' experience in the onion business and I know the growers wants.

Southport yellow globe	-----	\$1.00 lb.
" Red "	-----	1.00 lb.
" White "	-----	1.50 lb.
Ohio Yellow Globe	-----	1.00 lb.
Sweet Spanish	-----	2.75 lb.

This Sweet Spanish is a wonderful yielder; it went over 1000 bushels to the acre here this year, but is not quite as good a keeper as the southports.

CELERY SEED

Golden Plum - This is a wonderful celery for fall and early winter. \$1.00 per ounce; \$12.50 per pound.

Giant Paskel - The old reliable for winter use.
 $\frac{1}{4}$ pound \$2.00. One pound \$6.00.

I solicit a trial order. Parcel post charges are extra.

Respectfully,

John B. Quirk.
